Majority of Churches Went Over the Top

64.3% of Them Equal, or Exceed, Their Total Donations in 1940-1941 Year

Over 64.3% of the churches and mission points in the Synod of North Carolina gave more to Barium Springs in 1941-1942 than they contributed in 1940-1941. This is true because 349 of the churches and mission points reporting contributions in the past two years are classified in a group that gave as much, or more, than in the previous 12 months. This is the final lineup of "churches ahead" and represents an exceedingly large percentage of the churches in the positive category.

By Presbyteries, the following number of churches showed increases: Albemarle, 15; Concord, 44; Fayetteville, 62; Granville, 24; Kings Mountain, 25; Mecklenburg, 62; Orange, 46; Wilmington, 49, and Winston-Salem, 22.

Below will be found all of the 349 churches or mission points distinguishing themselves in their 1941-1942 donations:

64 Sunday Schools In $100.00 Club for '41-'42

Is Two More Than Last Year. —Four New Ones, While Two Dropped Out

Final figures show that 64 Sunday Schools in North Carolina regularly gave Barium Springs as much as $100.00 in 1941-1942, for a net gain of two over the 62 that "made" the Club in the previous year. This does not include any Thanksgiving Offerings, for the Club membership is confined to those which help on a systematic basis throughout the entire year.

Newcomers to the Club in 1941-1942 were New Bern in Albemarle Presbytery; Saint Paul and Raeford in Fayetteville, and Burlington Second in Orange. The two which dropped out of the Club last year were Maxton in Fayetteville Presbytery and Madison in Orange.

While these are singled out for special mention as $100.00 Club members, yet it is pointed out here that oftentimes the smaller Sunday Schools have been more liberal than those in the Club, for the true measure of liberality is the amount given on a per capita basis. Detail on this also appears in the current issue of The Messenger, and it will be found that a good many smaller Sunday Schools rank higher in that standing that the 64 listed below, which have been broken up into various Clubs:

$800.00 Club.

Myers Park	$835.11

Good News

Henderson has increased the number of Circles in its Auxiliary by two, which means that the Home at Barium Springs will receive $60.00 from the five Circles in 1942-1943, instead of the $36.00 tht arrived from three Circles in 1941-1942, since that Auxiliary follows the plan of $1.00 per-month-per-circle. The first quarterly report of $15.00 has arrived here, and officials were encouraged that it could be so much superior to the $9.00 that was sent for April, May and June of 1941.

Any good news for the July Messenger?

Mecklenburg Provides Best For Its Children

Facts Revealed Regarding Giving of Each Presbytery on Basis of Its Children

Mecklenburg Presbytery made the largest provision for its children at Barium Springs than any other of the nine Presbyteries in the Synod, with Wilmington Presbytery giving the smallest average amount for the number of children in this Home from the Wilmington territory.

In between will be found Kings Mountain, 2nd; Orange, 3rd; Concord, 4th; Granville, 5th; Fayetteville, 6th; Winston-Salem, 7th, and Albemarle, 8th.

This is different from the table of receipts that usually appears in each month's Messenger. The regular table is prepared on the basis of Presbytery membership as compared with the amount contributed. This annual arrangement of the Presbyteries shows how well each of the nine takes care of its own boys and girls who have been sent to the Home here.

Mecklenburg and Kings Mountain Presbyteries were the only two that provided enough money for their children, without calling upon any other sources of income.

Mecklenburg rated fourth in per capita giving, as combared with first place on the children basis, while Concord was high in per capita, but in taking care of its boys and girls it rated fourth. Kings Mountain and Wilmington were Presbyteries whose rating was identical - second and ninth, respectively.

Below is the comparison by per capita and by provision for their children:

Presbytery	Per Capita	Own Children
Mecklenburg	4th	1st
Kings Mountain	2nd	2nd
Orange	7th	3rd
Concord	1st	4th
Granville	6th	5th
Fayetteville	8th	6th
Winston-Salem	3rd	7th
Albemarle	5th	8th
Wilmington	9th	9th

ENGAGEMENTS.

Johnson—Summers.

Announcement has been made of the engagement of Nellie Johnson and Joseph Devon Summers, the latter of Statesville, though he is now stationed at Fort Jackson, S. C. with Uucle Sam's forces. Nellie finished at Barium in 1938, attended Flora Macdonald College, and for the past two years has been working in the library here. At present she is at Carolina Beach. The wedding will take place in late summer. The bridegroom is a brother of the boy who was recently married to Joy Stone, another Barium graduate.

Lindsey—Diehl.

Mr. and Mrs. Julian Bossieux, of Richmond, Va., announce the engagement of Mrs. Bossieux's daughter, Mary Penn Lindsey. to Aviation Cadet William Augustus Diehl, of Winston-Salem, who is now stationed at Lowry Field, Denver, Colo. The above announcement is of double interest at Barium Springs. Mary Penn graduated from here in 1940, and during the scholastic session of 1939-1940, Mr. Diehl was on the teaching staff of the school after his graduation from Davidson. Since finishing here, Mary Penn has attended Martha Washington University. The date of the marriage

Sunday Schools Give Best Total In History

82 Sunday Schools in Synod Also Established New Individual Peaks

The combined giving of all of the Sunday Schools of Synod that regularly contributed to the support of Barium Springs in 1941-1942 was the greatest in history, and while this new high-water was being reached as a whole, 82 Sunday Schools equalled, or surpassed, former high levels of individual generosity to the Home at Barium Springs. The grand aggregate of the Sunday Schools' contributions was $21,225.46.

Except for a single year - 1933-1939 - there has been a steady and gradual increase in donations from the Sunday Schools, for this giving has edged upward from $13,446.42 in 1933-1934 to the recent year's sum of $21,225.46. In that single year when no advancement was made, the sum given was barely less than that of 1937-1938. Here is the regular totals for the past nine years from the Sunday Schools:

Year	Amount
1933-1934	$13,446.42
1934-1935	15,594.03
1935-1936	16,490.62
1936-1937	18,458.19
1937-1938	18,780.42
1938-1939	18,698.32
1939-1940	20,030.74
1940-1941	20,383.84
1941-1942	21,225.46

Last year 276 Sunday Schools had some part in that grand total, and the majority of these have been conforming to Synod's recommendation of a good many years ago that an offering each month be given to the Home at Barium Springs. Every now and then Synod re-affirms an earlier recommendation along this line. It is significant that 42.6% of the month-by-month income for Barium Springs on a regular basis arrived through the Sunday Schools last year.

The 82 Sunday Schools able to boast of equalling, or going beyond, their 1940-1941 totals are as follows:

Albemarle Presbytery—Farmville, Fountain, Greenville, Johnson Memorial, Macclesfield, New Bern.

Concord—Back Creek, Centre, Fairview Mission, Fifth Creek, Mooresville First, Mooresville Second, Park Place Chapel, Poplar Tent, Prospect, Sherrill's Ford, Thyatira.

Fayetteville—Antioch, Big Rockfish, Church-in-the-Pines, Comfort, Covenant, Culdee, Cypress, Dunn, Fairmont, Flat Branch, Galatia, Godwin, Iona, McMillan, McPherson, Sunnyside, Union, Vass.

Granville—Roanoke Rapids, Trinity Avenue.

Kings Mountain—Belmont, Castanea, Cherryville, Hephzibah, Ironton, Kings Mountain, Lincolnton, Long Creek, Olney, Saluda.

Mecklenburg—Albemarle First, Amity, Banks, Bethel, Camden, Commonwealth Avenue, Cook's Memorial, Huntersville, Mulberry, Philadelphia, Pineville, Robinson, Tabernacle, Thomasboro, Williams' Memorial.

Orange—Alamance, Buffalo (L), Burlington First, Burlington Second, Fairfield, Jonesboro, Little River, Westminster, Yanceyville.

Wilmington—Black River, Chadbourn, Elizabethtown, Graves Memorial, Grove, Immanuel, Pearsall Memorial, Pleasant View, Rockfish, South River, Wildwood.

Winston-Salem—None.

Only 194 Churches Go Below 1940-41 Levels

The Majority of Them Were $10.00 or Less Shy of Previous Year's Sums

If 194 Churches or mission points could have exactly duplicated their giving of 1940-1941, Barium Springs would have received $4,993.64 more than it did during the past year, which would have given the Home a support fund income of over $100,000.00 from the Presbyterians of North Carolina. These 194 churches were the 35.7% in the Synod that failed to come up to their previous year's aggregates. A duplication of giving by these 194, plus the increases that were noted in many others, would have made the past year's income even more exceptional than it was.

Only 54 of those 194 churches lacked more than $10.00 of equalling the former year's figures. Of the remaining 140, 45 of them lacked between $5.00 and $9.99; 70 had minus sums ranging between $1.00 and $4.99, and 25 of them lacked less than $1.00 of touching the 1940-1941 figures.

By Presbyteries below will be found the number of churches in arrears in each one of the combined amount that they were shy:

Presbytery	No. of Churches	Total Amount
Albemarle	21	$ 155.41
Concord	22	1,527.18
Fayetteville	32	379.06
Granville	17	243.86
Kings Mountain	14	121.85
Mecklenburg	28	595.14
Orange	20	1,245.93
Wilmington	20	94.62
Winston-Salem	20	630.59
Totals	194	$4,993.64

The 194 falling below their 1940-1941 figures follow, with exact amounts being given only for those that lacked $10.00 or more:

News From the Cottages At Barium

JENNIE GILMER.

Herbert Good, Charles Campbell, Howard Hull, Earl Adams, and Donald Pettus have gone on their vacations.

Harold Myatt, J. D. Everett, Charles Barrett, and Grady Mundy will go this week. Others are looking forward to going soon.

Johnny Meroney had a visit from his grandparents, Mr. and Mrs. Meroney; also his sister, Sarah, from Mocksville.

J. D. Everett has been in the Infirmary with an infected hand, but he is better now.

We have been working in our yard, planting flowers and shrubbery. We thank Miss Anne Faysoux Johnston for helping us.

Lieutenant Julius Kinard, a former Barium boy now with the air corps, paid us a visit. We enjoyed his stories of the foreign lands.

Larry Marlowe, former Barium graduate and brother of Mrs. Ralph Spencer, visited us. Larry is now in the Navy.

Mrs. Marshall, our matron, spent a few days at her home in Richfield, N. C. We were glad to have Mrs. J. D. Lackey as matron.

STULTZ COTTAGE

Hello Folks,

It seems a long time since the last time we wrote to you.

Since the last Messenger some of the Barium chilldren have gone on vacations, although fewer went this year than last year because of the tire and gas restrictions. Bill Tyce, Marshall Norris, James Shepherd and Donnie Bolton have gone on vacations from this cottage.

We were invited to the movie called "The Lady Takes the Flyer." We were also invited to some baseball games at Statesville. We injoyed all of this very much.

We sure missed Mr. Johnston this past week while he was attending the General Assembly meeting in Tennessee and we are very glad to have him back with us again.

If we were in the Pacific Ocean now, we could write more news but because we are not, news is pretty short so "Keep 'em flying."

—Paul Reid

DAIRY NEWS

Hi folks,

We are back again to give you more news from the dairy, right where we are working. Everything is going on smoothly here at the dairy, and of course it always does. We have smaller boys at the dairy now but we can still get along almost as well as we used to.

We have lost two of our good workers. One of them, Robert Lee Pearson has gone to his home to stay, and Clifford Barefoot has gone to Dunn to visit his father for a couple of weeks.

We have had a little bad luck since the last time you heard from us. J. D. Everette got his hand hurt and had to go to the hospital but he is back with us now and and Earl Adams had the poision oak but he is back with us, too. Jimmy Hayes is our glamour boy. You can look at him any time of the day, especially out at work and you'll find that he is always prettied up - not even a hair out of place. I don't know what kind of hair juice he uses; it smells good, though.

Cap, our boss, says that the hot weather gets him down, but if you would watch him play golf you couldn't see why he doesn't move to some place where it is hot all the time.

Well, I reckon that's all for a while but we will be back with more dairy news about our work and the ones that do the work next time. So, so long until then.

JOHNSTON COTTAGE

Dear Friends,

At this moment I, Pleas Norman, am witnessing a very interesting tea party given by Amos Hardy and Billy Everette in their lovely one-room "apartment" in the Johnston bungalo. Their honored guests are Woot Davis and his faithful roommate and playmate, Howard Clark.

Ernest Stricklin, our "house mother," is taking a vacation which has long been needed and we hope he has a very lovely time.

Raymond Good, another of our boys, is taking a vacation in Hickory. We hope he is having a real good time also.

I guess you remember last month I said no one could beat Woot Davis and myself in tennis. Well, we are still undefeated. It must be that Woot and I have been working too hard and don't feel like playing. So we go to bed early and wish a few other pigeons would go to bed early also.

A few scandles! Since Howard Clark moved over to our large building he thinks he is big enough to have a girl friend, so last night my faithful bloodhound, Leslie Smith, caught him snooping around Woman's Building. When asked what he was doing, the reply was, "Chasing Butterflies."

Another flash! Leland Rogers has been reported by another blooodhound, Herbert McMasters, as snooping around Howard Cottage.

Your faithful reporter,
—Pleas Norman

WALLACE COTTAGE

Since you last heard from Wallace, a good deal has happened. One of the biggest things is the graduation of the seniors and the coming of new boys to subsequent Wallace.

Five boys from Wallace graduated last April: Wallace Twombly, Mott Price, Ben Lewis, Elwood Carter and Dick Parrish. All of these boys were doing O. K. the last we heard. Dick is working in Charlotte and is going to Davidson College this fall. Wallace Twombly is in his earthly paradise. He is at an aeronautic school. Mott and Ben are some what disappointed. They wanted to get in the Navy but both were turned down. Elwood is in the ship yards. There are lots of mechanical gadgets on ships so we all suppose Elwood is happy

Six boys from Wallace moved into other cottages. They are Marshall Norris, Bill Tyce, Richard Shoaf, Pleas Norman, Ernest Stricklin and Bobby Whittle. Ray Lewis says he can't stand Bobby's incessant wanting to know if a letter came for him from Wilmington.

Two of the boys are still at Wallace that were there before April: Roscoe Twombly and James Stafford.

The new boys in Wallace are Charles Hooten, who is the "baby" of the cottage, and who said if he ever gets to be 17, he's "gonna" join the navy; Douglas Ryder who claims he and Charles don't like the kind of music "Von" Stafford plays over the radio; Charles Smith and Clifton Barefoot, the former being an animal man, snakes and spiders excluded. There isn't much that we can say about Clifton except that he likes Sourwood Mountain, which isn't much in the opinion of most of us.

Cecil "Butch" Shepherd is another member of Wallace. With a name like Cecil you can see why he's called "Butch". Fred Cole, Stanley Smith, Ray Lewis and Hervey Stricklin make up the rest of the members of Wallace. Hervey hopes to someday outweigh his big brother, which is a most commendable ambition. Stanley Smith is the gigilo of Wallace since Richard Shoaf left. His roommate is "Zacheus" Fred Cole, who is a bit too small for the girls.

Mr. Sam invited us to see "The Wife Takes a Flier" a few weeks ago. We all enjoyed it. Thanks, Mr. Sams.

Everyone around here is working now except those who are on vacations. The boys on the farm are chin-deep in reaping and the last we heard Mr. Clark's boys are knee-deep in corn. It might be over their heads now. With Mr. Clark telling you about it most anything can happen. We are still trying to get Mr. Clark to enter in a certain club in Burlington and we don't mean Burlington, N. C.

About half the boys in Wallace are on their vacations and most all of the other half will be gone ere long. Camp Fellowship opens the 6th of July and we all intend to be back, for that.

RUMPLE HALL

This is the Rumple Hall girls speaking to you again.

Since we wrote you, a good many of our girls have changed cottages. The following moved across the campus to the Woman's Building: Frances Bowles, Ida Bell Dunn, Miriam Huddleston, Mary Frances Isenhour, Elizabeth Langley, Jean McDonald, Hannah Price, Eleanor Pope, Mary Bell Reid, Myrtle Rushing, Mary Ann Ryder, Lee Vinson, Gilda and Gloria Whitfield (twins). Helen Hawley moved to Annie Louise to be a big girl there. Pearl Morgan and Maggie Katen are at the Baby Cottage with the little boys and Marion Coffey and Toni DeLancey are with the baby girls. Lucille Smith and Blanche Feimster went to the infirmary to work. This move left eleven girls at Rumple Hall.

About an hour after they all moved out, twenty girls came over from Howard Cottage. They are as follows: Frances Adams, Ernestine Baldwin, Margaret Bullard, Peggy and Betty Coffey (twins), Evelyn Coates, Callie Dunn, Mary Ruth Gregory, Ila Lee McBride, Annie Starr Langley, Grace Morgan, Aline Parham, Anne Pope, Virginia Presnell, Frances Rhyne, Willie Mae Robinson, Dorothy Shepherd, Helen Vinson, Hazel Walker and Anne Wicker.

Vacation time started May 30th and these have gone for two weeks: Frances Adams, Margaret Bullard, Dorothy and Nita Shepherd, Lucille Stricklin, Janie Hall, Betty Jo Smith and Violet Knight. Aline Parham is going the last of this week.

We'll be on the air again next month.

—Rumple Hall Girls

ANNIE LOUISE.

Well, Friends, you haven't heard from us in quite a while. Nevertheless, we are having a grand time. Vacation time is here and camp time is just around the corner.

Peggy Joyce Land and Louise Campbell are visiting their families and Betty Jean McBride is vacationing with Mr. Joe Ervin in Rutherfordton. Ray Powell has gone with her father down near Whiteville. Jane Feimster expects to leave today for Taylorsville, where she will spend about two weeks with her mother.

We have eight new girls at our cottage and we sent fifteen of our older Annie Louise girls to Howard Cottage. We miss them very much, but we are very happy to have the little girls from the Baby Cottage.

We have a new matron at Woman's Building. She comes to our Cottage on Tuesday and Thursday mornings and works and plays with us. We are planning to go on hikes, have picnic suppers, to form clubs of various kinds, learn new games and read lots of new books. In the afternoon she keeps the swimming pool. She is going to teach us to swim. We like her very much and we consider it such a great privilege to have her work with us. She is Miss Sara McNeill from Lumberton.

Some of us have had very light cases of measles, but we are well now.

Goodbye now until next month.

—Annie Louise Girls.

BABY COTTAGE.
Second Floor.

This is the second floor of the Baby Cottage trying to tell you a few of the things that we have been doing.

Friday, May 22nd, we sent eight of our little girls to Annie Louise Cottage to live. We miss them lots, but they seem to be very happy. They say, "We are big girls now." Their names are Rachel Barnes, Sylvia Sue Buie, Jackie Porterfield, Barbara Bradshaw, Peggy Ann Collins, Elizabeth McNeill and Mary Frances Morris.

We also sent our two big sisters, who are rising seniors, to live at the Woman's Building. We miss you so very much, Lilly Bryant and Janie Smith, but we are glad to have Toni DeLancey and Marion Coffey come to live with us and be our big sisters.

We have two little new girls living with us now, Jacqualine Liverman and Martha Nell Hall. We welcome them, and they seem very happy.

Louise Bradshaw and Geraldine Kayton have had visits from their people recently. We are not having many visitors now. We miss our friends and hope that they can soon come to see us again.

Right now Elizabeth Huddleston, Marie McNeill, Linda Inman, and Patsy Dean are at the Infirmary with German measles. Hurry and get well, girls, and come back home. We miss you.

Saturday, June 6th, Toni DeLancey is going to Charlotte for a two weeks' vacation. We want Toni to have a good time, but hurry back.

We went in swimming today. It was the first time this summer, and we sure did enjoy it. You should have seen us splashing. Oh, Boy!

"Our" Mr. Johnston has gone to the meeting of the General Assembly. We miss him very much. Hurry back, Mr. Johntson.

We are sorry that Mama O'Kelly's son, Charles, got sick and had to drop out of college, but we are glad to report that he is much better and hopes to get back to Chapel Hill for the last summer school.

That is all, folks. We will see you again next month. So long.

—The Baby Girls.

INFIRMARY

Hello Friends,

This is the latest news from our part of the world.

We have had a large number of new children to come in since we wrote you last. They were as follows: Ralph Huddleston, Sara and Terrell Hall, and Betty Sue Wolfe.

We have had little sickness.

Mrs. McNatt, our nurse, went on a vacation to Florida. While she was away Miss Lackey was our matron.

We are glad to have Lucille Smith and Blanche Feimster come from Rumple Hall to live with us here. We hope they will like it as much as we do.

Martha Price is going on her vacation June 5th. We know she will have a good time.

Two of our girls, Lillie Belle Smith and Mae Allen Barrett, are going to conferences this year. Mae Allen is going to Mitchell and Lillie Belle to Davidson.

We read in the last Messenger of the money that has been given for a new church. We hope someone will give some chimes in memory of some loved one.

We are glad to have Mrs. Johnston's sisters, Mrs. Elliott, Mrs. Wilkinson and Mrs. Marion, with us on the campus. It's nice to have Leila Johnston back from school, too. Mr. Johnston is at the General Assembly now being held in Knoxville, Tenn.

MARRIAGES.

Miss Matoka Torrence and Mr. Bert Rawald, both of Charlotte, were married in the First Methodist Church of Charlotte on May 23rd. Mrs. Rawald is a graduate of Barium Springs and was graduated from the Woman's College of the University of North Carolina, after attending Appalachian. She has been connected with the health department of the Y. W. C. A. in Charlotte. Mr. Rawald is a graduate of the University of Berlin and has been affiliated with the health department of the Y. M. C. A. Mr. and Mrs. Rawald are at home at 720 Central Ave., Charlotte.

Cumbie—Williams.

Albert Cumbie, 1932 graduate of Barium Springs, and Miss Adella Williams, of Stokesdale, were married July 7, 1941, but a public announcement of this was not made until last December, the information of this trickling in to Barium Springs only recently. After finishing here, Albert went to Davidson College, graduating in 1937. Since his graduation he has taught at several Virginia prep schools, later worked in Albemarle and more recently has become located in Shelby. Mrs. Cumbie received her education at Asheville College and the Women's College in Greensboro. Mr. and Mrs. Cumbie are living at 710 N. LaFayette St., Shelby.

Smith—Gibson.

Vance Smith, who left Barium about two years ago, was married on June 1st to Miss Willie Ozelle Gibson, of Statesville, the marriage taking place at the home of the bride. Vance was in a C. C. C. Camp for a year, but is now employed by J. C. Steele & Sons, of Statesville.

Two marriages of interest to Barium people, but which did not exactly involve alumni of Barium, was Miss Amy Belle Lackey to Mr. Walter Holland of Statesville; and Miss Grace White to Lieut. William Maguire. Mrs. Holland is the daughter of Mr. and Mrs. P. B. Jackey, the former handling the chicken farm at Barium. This ceremony took place in Little Joe's Church here on June 2nd. Mrs. Maguire is a sister of Mr. Isaac White, who is employed in the mechanical department at Barium. This ceremony took place at Fort Bragg on June 1st.

PERSONALS.

Lieut. Dewey Barnhill, a bombadier with Uncle Sam's forces in the Southwest Pacific, has been mentioned in two separate feature articles by correspondents covering the war activity in that section. Both reporters went with Dewey and other members of the crew on bombing expeditions and Dewey was singled out especially in one for his singing of "I Don't Want to Set the World on Fire" as he pushed the button that released the bombs. Later, another news story came in about this crew, who made a forced landing during which the pilot and the navigator were killed, but Dewey and four others escaped. The account of the accident was dramatized over the Columbia Broadcasting Company network on Sunday, May 17th, and Dewey was quoted for his part of the account of the tragedy. The five were rescued from this tiny island the next day.

It is now Capt. Bruce Parcell, instead of Lieut. Parcell, for he has been promoted since his marriage to Frances Lowrance, of Barium, on May 2nd. Of course, we know that his marriage had nothing to do with this, for Uncle Sam's advancement of his boys is on merit alone. This word of caution is inserted here, for some of the Barium graduates in the services may get the idea that getting married is a sure-fire way to get a promotion.

Mary Elizabeth Sanders, who left Barium Springs four years ago, will graduate in June from the Carolina Hospital, where she will remain until September at which time she will take the State Board of Examinations.

Gene Shannon and David Spencer graduated from Davidson in June, and since both have taken the advanced R. O. T. C. course they will go immediately into the army as Second Lieutenants. Joe Savage finished at Appalachian in May and is now at the Naval Training Station at Norfolk, Va.

A recent visitor to the campus was William Haydon Justice, who was in the Home from 1902 to 1906. He is chief boatswain at the Naval Training Station at Norfolk, Va. Other visitors have been Joe Keenan, his wife and his little boy, of Graham; John Donaldson, who is a mechanic's mate on

Explanation Is Made of Tabulation at Right

To the right will be found a complete record of per capita giving by any Sunday School in the North Carolina Synod which has made a regular or a special donation to Barium Springs in the past three years, Thanksgiving Offerings excluded. These are arranged numerically according to the average of each Sunday School in the recently ended year. The true basis of generosity of any Sunday School is therefore evident in the figures to the right.

The second division in the tabulation is an arrangement of the 88 Sunday Schools which averaged as much as 50 cents per enrolled member, and thus are classified as leaders. All of these appear in the first grouping by Presbyteries, but it was felt advisable to regroup them according to their rank with other Sunday Schools in the Synod. In 1940-1941, 75 Sunday Schools averaged as much as 50 cents, so this increased 13 in the 1941-1942 church period.

In the right hand corner of column five on this page is a rating of the Presbyteries on the basis of assistance through the Sunday Schools. Concord Presbytery was first in 1940-1941, but Kings Mountain displaced her in 1941-1942 with an average of 41 cents for every Sunday School enrollee in the entire Presbytery. The average of 22.7 cents for Synod is on the basis of the complete enrollment of 76,679 Sunday School members, even though a good many of the Sunday Schools did not follow a regular plan of assistance.

You will find 276 Sunday Schools rendering some form of aid last year, giving a grand and superb total of $21,225.46. Had all of the other 284 organized Sunday Schools in the Synod assisted, the total would have been twice as great.

SUNDAY SCHOOL GIVING PER MEMBERSHIP FOR 1941-1942 YEAR

Below is the per capita giving of Sunday Schools in the Synod which have contributed regular or special gifts to the Orphanage, **WITH THE EXCEPTION OF THANKSGIVING OFFERINGS AND CLOTHING FUNDS**, during 1939-1940, 1940-1941 and 1941-1942. The first arrangement is within the Presbyteries. The tabulation at the bottom is a numerical arrangement of the leading Sunday Schools which averaged as much as 50 cents per member in 1941-1942. Sunday School memberships recorded in the General Assembly Minutes were; when none was given, church memberships were used.

There is not much comment that can be made about the table of receipts for May, for the giving of both April and May was meagre, which is following the usual pattern of contributions in the early stages of any fiscal period. Officals wish that an increase could be announced for the first one-sixth of the year, but the record makes it necessary to reveal that the aggregate for the first two months of 1942-1943 was $62.82 less than in the same months of 1941-1942. Maybe June's giving will be of a nature to permit the revelation of a gain for the first quater.

Of the $4,219.72 that arrived in April and May, Sunday Schools sent 51.5% of it. the Church budgets alloted 28.5%, and the Auxiliaries had forwarded 20%. On a dollar and cents basis this was $2,172.88 from the Sunday Schools, $1.203.69 from the Churches, and $843.15 from the Auxiliaries. Detail on this follows:

He—Is she progressive or conservative?

She—I don't know. She wears last year's hat, drives this year's car and lives on next year's income.

Testing Officer—And what is the white line in the middle of the road for?

Applicant—For bicycles, I suppose.

"Did you ever meet with an accident?" the insurance agent inquired of the farm applicant.

"No," said the farmer thoughtfully, "No, I never. Just a mule kicked in two of my ribs once, an' a rattlesnake bit me on the leg a couple years ago."

"Great Scott!" gasped the agent. "Don't you consider those accidents?"

"Naw," said the farmer, "they both done it a purpose."

"Don't you think, dear, that a man has more sense after he's married?"

"Maybe, but it doesn't do him any good then."
